---

School year 2019-2020

Dear Parent/Guardian:

In order to provide your child with the safest transportation possible, we follow Oregon State and Butte Falls School District # 91 Rules for Student Conduct on Buses. (Copy attached)

Drivers will enforce these rules, which were designed to provide the safest solutions to any possible transportation problem. A copy of the rules is posted in every school bus for student reference. Generally, if your child will follow the driver's directions, remain seated, keep hands, feet and personal belongings under control, keep the bus clean, and speak in a normal tone of voice, his/her school bus experience will be a pleasant and safe one.

Drivers are responsible for enforcing all safety rules and will deal with students whose behavior jeopardized the safety and security of the other riders or themselves. All buses have been equipped with video cameras. The taping of bus rides is intended as a deterrent and will provide safer transportation for all students.

Students with cell phones will be permitted to use them on the bus providing it does not cause a problem or distraction to the driver. Failure to obey the driver will result in discipline and cell phone taken away. **Absolutely no taking photos with phones.**

Please complete the information on the next page, sign and have your child return it to the office manager at their school. **Failure to return a completed form by October 15th<sup>†</sup> may result in loss of bus privileges.**

Thank you for your cooperation.

Sincerely,

Julie Freeman  
Transportation Manager

Butte Falls School District is an equal opportunity employer and educational provider.
